Ariel investments controls a lot of the Baltimore municipal pension fund. They also control huge amounts of election campaign funds.
They illegally gave Elijah Cummings leftover campaign money to his widow, then took it back and gave it to Mfume.
Wayyy over the $2400 limit.

I wonder if Ms. Klacik knows the size and depth of the corruption she ran up against?🤔

And all of these corrupt criminals are deeply connected to Sullivan, and he is presiding over General Flynn? And Election issues?
🙏🙏🙏

13/ For big, established companies, focusing on vanity metrics is silly but not harmful. Everyone's thrown up a huge number to celebrate for an offsite. I get it. But for startups who are pre-product/market fit, it can lead down a path towards

We will win this! 🙏 President Trump is the rightful and clear winner of the 2020 election. But look at where we are now. I expect the Deep State Dems to lie, cheat, steal. Honestly I would be shocked if they didn't. We will overcome this situation, the president has an excellent

Team fighting to uncover and prove the Nationwide fraud. There are dedicated people in every state doing the same thing, and untold numbers of digital warriors backing them up. Not to mention Millions upon Millions of Patriots who

I would like to tell you a story. The title of the story is, "How To Steal an Election in Maryland". The villain in this story decided that he was the most important person in the world, and although he was responsible for an entire state, he abused his position,

re-wrote laws, changed policies, by exploiting people's fears over covid-19. All so that he could manipulate an election and gain the support he needed to run for president. I will call this villain Harry Logan 🤔

The MSM doesn't want to face the election fraud . Trump won without question. But there is a very uncomfortable truth that the media is hiding and pretends not to notice. For this 2020 presidential election the "fix was in". The big name power brokers had everything set up.

They had the computers, algorithms, total control of overseas operations. They had control of many different states and the local governments within . They did everything they could to steal this election using technology.
